

Next year 66% of homeowners are considering giving their home a refresh.

Home Show: The Big One
March 13 – 22, 2020

From top-to-bottom renovations, to a simple coat of paint, our +150,000 visitors turn to us for inspiration on

how to update their living spaces. And they're ready to spend, with 86% preferring to buy on-site than online.

Quick Facts

Canada has a mixed

bag of home types. Our visitors come to us because we offer a wide variety of ideas that are tailored to the unique sizes of these spaces.

42% of Canadian

homeowners consider landscaping the second largest priority in terms of home improvements.

New matters:

when shopping in-person, over 50% of Canadians are specifically looking for the latest and greatest products and styles.

64% of people say

they would rather live in a small home in a great location than a big home in a less convenient one.

57% of Millennials

completed one or two major home projects in the last 12 months.
