Big business HAPPENS at The Big One.

From new floors to new windows to new builds, consumers at the National Home Show, The Big One come with one purpose in mind, to shop! In 2019, that shopping was expected to top \$1 BILLION! With consumers making substantial investments in their homes and a return to normalcy on the horizon, exhibiting at the 2022 National Home Show should be a part of your sales strategy.

April 15-24, 2022

Exhibition Place

Quick Facts

Increased time at home has given consumers a chance to contemplate renovations, big and small, indoors and outdoors. Inability to travel has helped make budgets available. Join us April 15-24 to meet consumers and their pent-up demand for your services at Canada's largest Home Show!

150,000+ Attendees

The last National Home Show attracted over 150,000 consumers!

93% are Homeowners

The National Home Show attracts a coveted homeowner crowd.

Ready to Start!

Our attendance is ready to start their next project, be it indoor or outdoor. Actually, it's the #1 reason!

It will be Safe!

While we can't predict the future, this event will abide by all Public Health recommendations to ensure the safety of consumers and vendors!
